# ABOUT US

Started in 2020 by an MBA Graduate with an enthusiasm for design, Kubuni Kenya is the burgeoning brand in the Furniture and Home décor industry.

Always striving for transparent business practices and honest pricing, we want our customers to have the best buying experience out there.

All the products made by KUBUNI use handpicked select materials, stringent quality control, and showcase an overall need for aesthetic excellence and functionality. Based in Kenya, we serve all across Kenya via our shipping partners.

We at KUBUNI take pride in our ability to put together well-made furniture and art pieces. We make discrete pieces of furniture ranging between living, dining, bedroom and workspaces, along with wall decor and artefacts.

We like to support support local furniture makers and artisans in Kenya as I believe WE have the skills and resources. #buykenyabuildkenya

I believe with your support and orders, I will be helping you make that small contribution to economic and social sustainability here in Kenya.
